

2023 BIE Science and Alternate Assessments Data Interaction Reporting Training

Dear Educator,

Reports for the Bureau of Indian Education (BIE) Spring 2023 assessments, both Science and Alternate MSAA Math and ELA, will be released this fall. In addition to printed reports that will be shipped to schools, all reports will be available electronically on an online Data Interaction (DI) platform for School Test Coordinators (STCs) to access. The following training sessions are being offered to learn more about the reports and the Data Interaction platform.
